

BIOMEDICAL SCIENCE FOR THE BENEFIT OF SOCIETY

“(Controller Internship)”
Centre for Genomic Regulation (CRG)

The Institute

The Centre for Genomic Regulation (CRG) is an international biomedical research institute of excellence, based in Barcelona, Spain, with more than 400 scientists from 44 countries. The CRG is composed by an interdisciplinary, motivated and creative scientific team which is supported both by a flexible and efficient administration and by high-end and innovative technologies.

In April 2021, the Centre for Genomic Regulation (CRG) received the renewal of the '[HR Excellence in Research](#)' Award from the European Commission. This is a recognition of the Institute's commitment to developing an HR Strategy for Researchers, designed to bring the practices and procedures in line with the principles of the [European Charter for Researchers](#) and the [Code of Conduct for the Recruitment of Researchers](#) (Charter and Code).

[Please, check out our Recruitment Policy](#)

The role

The purpose of the Controller Internship is to introduce students to The Centre for Genomic Regulation (CRG), which offers you the opportunity to contribute to the success of the finance department by helping them with the following:

- Manage and update the information and data stored in ORACLE, the centre's ERP
- Control and adjust expenses into different costs centres
- Assist to administrative and financial requirements of the management and reporting of externally-funded projects
- Collaborate in financial end-months closure
- Prepare documents for audit and justifications

Depending on the development of the candidate, other tasks of an accounting nature could be performed.

About the team

The Controlling Office ensures effective financial and management accounting across the organisation and to maximise return on financial assets and business activity by establishing and improving financial policies and procedures, controls, as well as reporting and information management systems
