

BIOMEDICAL SCIENCE FOR THE BENEFIT OF SOCIETY

“Grants Manager Officer”
Centre for Genomic Regulation (CRG)

The Institute

The Centre for Genomic Regulation (CRG) is an international biomedical research institute of excellence, based in Barcelona, Spain, with more than 400 scientists from 44 countries. The CRG is composed by an interdisciplinary, motivated and creative scientific team which is supported both by a flexible and efficient administration and by high-end and innovative technologies.

In April 2021, the Centre for Genomic Regulation (CRG) received the renewal of the '[HR Excellence in Research](#)' Award from the European Commission. This is a recognition of the Institute's commitment to developing an HR Strategy for Researchers, designed to bring the practices and procedures in line with the principles of the [European Charter for Researchers](#) and the [Code of Conduct for the Recruitment of Researchers](#) (Charter and Code).

The role

We are looking for two enthusiastic Grants Manager Officers (Post Award) to strengthen the team of the Grants Management Unit in the Finance Department.

The Grants Manager's mission is to proactively offer individualized and professional support to CRG Group Leaders and grant holders in effectively managing their external & internal funds, following internal policies and terms & conditions of the funding bodies.

The post holders will be reporting to the Coordinator of the Unit and be closely working with the other members of the team and the other relevant areas of administration (e.g. People, Controlling, Accounting, Purchasing, Operations).

The main duties of this position will include:

- Support CRG Group Leaders and grant holders with the economic and administrative management of their funds.
- Monitoring budget and expenditure levels on the assigned projects to provide project holders with regular follow-up in connection with expenditure control, budget deviations and budget forecasts.
- Update ERP funds and grants records and support accurate data for monthly and year-end closings.
- Acting as financial control point for approval of staff costs and equipment purchase (or their adjustment) and monitoring the time recording for EC-funded projects.
- Elaborating projects financial statements and providing any other information needed to ensure adherence to the applicable regulations as well as compliance during financial audits and management of budget-recovery claims.
- Liaising with funding bodies and project coordinators to solve administrative and financial issues.

About the team

The mission of the Grants Management Unit is to proactively support the CRG community in securing competitive funds for research and institute-related activities, as well as to manage the principal

investigators' core and external funding, with an individualized professional support throughout the project life cycle.

The services offered by the Grants Management Unit are:

- To act as a liaison between the CRG community on the one side and the funding agencies or sponsors/donors on the other side.
- To ensure grant-management efficiency and financial sustainability, while maximizing impact of grant-funded research.
- To fulfil administrative and reporting requirements of the funding agencies or sponsors/donors for active grants.
- To manage budgets and control competitive and external funds in compliance with the applicable regulations and CRG policies.

You will have the opportunity to work closely to an experienced and dynamic team, develop a career in an international atmosphere and participate to social activities and events.
