

BIOMEDICAL SCIENCE FOR THE BENEFIT OF SOCIETY

“2D-PAGE AND SIGNALING EXPERT (Postdoctoral position)”
Centre for Genomic Regulation (CRG)

The Institute

The Centre for Genomic Regulation (CRG) is an international biomedical research institute of excellence, based in Barcelona, Spain, with more than 400 scientists from 44 countries. The CRG is composed by an interdisciplinary, motivated and creative scientific team which is supported both by a flexible and efficient administration and by high-end and innovative technologies.

In April 2021, the Centre for Genomic Regulation (CRG) received the renewal of the '[HR Excellence in Research](#)' Award from the European Commission. This is a recognition of the Institute's commitment to developing an HR Strategy for Researchers, designed to bring the practices and procedures in line with the principles of the [European Charter for Researchers](#) and the [Code of Conduct for the Recruitment of Researchers](#) (Charter and Code).

[Please, check out our Recruitment Policy](#)

The role

A research associate position is available in the lab of Fátima Gebauer to perform research on post-translational modification of RNA-binding proteins involved in melanoma progression.

Appropriate candidates should have expertise on 2D-PAGE and analysis of protein phosphorylation. Candidates must hold a PhD degree and be fairly independent.

About the lab

Fátima Gebauer group is in the Genome Biology Programme of the CRG. She leads a team of motivated researchers working on RNA regulation and translational control in human cancer. For more information about the group, please visit http://www.crg.es/fatima_gebauer.

Whom would we like to hire?

Professional experience

Must Have

- You know how to perform 2D-PAGE
- You have proven experience with RNA-binding proteins, and RNA and protein manipulation
- You know how to manipulate cells in culture
- MS Office skills

Education and training

- You hold a PhD degree in Molecular Biology or related

Languages

- You are fluent in English

Competences

- Highly developed organizational skills
- Attention to detail

- Communication skills
- Community oriented
- Initiative and independence
- Self-motivated
- Efficient

The Offer – Working Conditions

- **Contract duration:** 3 months
- **Estimated annual gross salary:** Salary is commensurate with qualifications and consistent with our pay scales
- **Target start date:** September 2026

We provide a highly stimulating environment with state-of-the-art infrastructures, and unique professional career development opportunities. To check out our training and development portfolio, please visit our website in the [training section](#).

We offer and **promote a diverse and inclusive environment** and welcomes applicants regardless of age, disability, gender, nationality, ethnicity, religion, sexual orientation or gender identity.

The **CRG is committed to reconcile a work and family life** of its employees and are offering extended vacation period and the possibility to benefit from flexible working hours.

Application Procedure

All applications must include:

1. A motivation letter addressed to Dr Fátima Gebauer.
2. A complete CV including contact details.
3. Contact details of two referees.

All applications must be addressed to Dr. Fátima Gebauer and be submitted online on the CRG Career site - <http://www.crg.eu/en/content/careers/job-opportunities>

Selection Process

- **Pre-selection:** The pre-selection process will be based on qualifications and expertise reflected on the candidates CVS. It will be merit-based.
- **Interview:** Preselected candidates will be interviewed by Fátima Gebauer.
- **Offer Letter:** Once the successful candidate is identified the People department will send a Job Offer, specifying the start day, salary, working conditions, among other important details.

Deadline: Please submit your application by 4th September 2026

Suggestions: The CRG believes in **ongoing improvement** and promotes a **culture of feedback**. This is one of the reasons we have in place, at your disposal as a candidate, a mechanism to gather your suggestions/complaints concerning your candidate experience in our recruitment processes. Your feedback really matters to us in our aim at creating a **positive candidate journey**. You can make a difference and help us improve by letting us know your suggestions through the [following form](#).
